Worthy Grand Knight and Brothers,

The Christmas season will be here soon and we have an opportunity to share a meaningful message: to **Keep Christ in Christmas**. Working together, we can stand up for the true meaning of Christmas and defend it against the secularization that has almost pushed Christ out of his Holy Day. This Day is for Faith, for Family and for the Lord Himself.

By banding together, we can bring forth the true meaning of Christmas in a powerful way and advance the very reason for the season. As Knights of Columbus, we can share the message with our Parish and include them in the **Keep Christ in Christmas** movement by making Christ-based Christmas Cards available after all Masses. A starter box of cards will instantly put your Council in the Keep Christ in Christmas program while generating a profit for the Council. Additional individual products can be ordered as often as needed.

You might even consider reinvesting this profit in a full size Billboard or Banner and feature your Parish name. This is a powerful way to share the Christmas message with your Parish and with the entire community.

Join us in the fight to **Keep Christ in Christmas!**

Thank you and God Bless.
