

Brother Knight, Worthy Grand Knight,

The Christmas Season is at hand but there is still time to get a Christmas message out in front of your community.

A **Heavy Duty 10 ft. x 6 ft. Vinyl Banner** like the one pictured below is only **\$225.00**. This includes Shipping and the printing of your **Parish name, Council /Assembly number**, and includes a 3rd or 4th Degree Shield.

You can mount this against a wall, fence or hard surface, or easily create a pipe frame for a free standing display. Choose between either **Perimeter Grommet's** for surface mounting or **Pocket system** for free standing display.

The goal has always been the same. To display the message: **'Keep Christ in Christmas'** to the community as **often as possible**, and **as frequently as possible**, reminding **all** that the season remains a **Christian Holy day**. The Knights of Columbus are uniquely positioned to do this. We have the numbers, the geographical footprint and the vested interest to make a real difference.

Banners are a Great. You actually own it..!! They are inexpensive and can be reused 'several times'. And, they are large enough to convey the true Christmas message to your community.. **You may wish to consider 'more than one' to better cover your area ..**

An 'easy to build' free standing frame can be constructed with: 3/ 10 1/2 ft. Chain Link 'top fencing runners', and a little hardware. All of this is readily available at stores like Maynard's or Lowes for less than \$50.00. For Instructions go to: <http://kcicmichigan.org/Banners.html>

Use it year after year..

Many Councils and Assemblies (maybe yours) continue to display their banners every Christmas reminding people that Christmas is a Holy Holiday. We encourage that and we wish to see it grow. We hope that you will join in this effort to erect a **Poster** around your community for the month of December. **Messages of the True meaning of Christmas..**

We only have the month of November to put this together, so, I will need to know right away if you wish to order a Poster. Also, the funding for this program must be in place before we order. **So, if your Council is to participate, I will need your answer right away and the money by the middle of December.**

(Checks are to be made payable to KNIGHTS of COLUMBUS and mailed to the following address)

SK Ken Watterson
KCIC Michigan
10189 Hart Hwy
Dimondale, Mi 48821

Thank You & **God Bless You** for your Support
